“Temporary Emergency Funding (TEF) is available to licensed child care providers who have a 2020/21 funding agreement through the Child Care Operating Funding Program (CCOF). This funding is intended to help providers who are open continue to support essential service workers and families in their community, and help those who need to temporarily close get back up and running when they are able.

TEF is optional. Providers can choose to continue receiving CCOF Base Funding or temporarily replace it with TEF.”
